Description

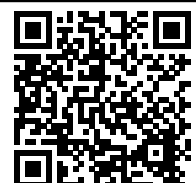

We are delighted to bring to the market, this large beautifully painted still life study of flowers by sought after artist John Wilson, who has signed the picture in the lower left bottom corner. > The artist was a fellow of the Royal Scottish Academy and also a member of the Royal Watercolour Society. > A very competently painted study on wooden board, depicting a selection of chrysanthemums and roses in a round vase stood on a marble plinth. > Beautifully painted in a soft pallet of colours and with realism and character, defining the work with an accurate visual appearance and generous layers of paint. > This example is early 20th century and is presented in the original decoratively carved swept giltwood frame, which makes the work look amazing to the eye. > The dimensions are generous as the painting measures 35 x 32 inches. > This is one of the nicest examples seen by us for a long time and is well worth the money. > MEASUREMENTS (Including Frame) Height 35 Inches Width 32 Inches > CONDITION Good condition throughout. The frame has been fully restored and regilded and looks beautiful. The back of the picture has been resealed with gum tape to look clean and tidy. > DAT...
