THE OVERVIEW

Sellingantiques.co.uk **brings together** the UK's Antiques Dealers onto one central website.

Sellingantiques first started its online antiques portal in **2003**.

The founding member was **Roy Precious Antiques & Fine Art**.

Sellingantiques is a **trusted** place for people to source antiques as 48.4% of daily visitors are returning customers (Google Analytics 1 Jan 2016 - 31 Aug 2016).

Each antique uploaded to Sellingantiques is **approved** by a human being. They do not vet items as such but check for good quality photos and that the item is within dateline.

The Sellingantiques website is hosted on two powerful Dell web servers. This enables results pages and search filters to **load very quickly**.

Sellingantiques is an **open and transparent** business whose goal is to provide a successful sales platform for its members.

To Sellingantiques the **visitor** to the site is the most important. Dealers are encouraged to treat each visitor with great **care**.

Sellingantiques is a community of antique dealers and believes that the way that dealers treat visitors reflects upon **everyone**.

Sellingantiques does not obsess about its profit, but is focussed on making the visitor experience as **wonderful** as possible.

Sellingantiques charges dealers a fixed monthly fee. There are no commission charges.

WHY JOIN US?

Your inventory is given **greater** online exposure.

1,608,408 people visited Sellingantiques between 1 Sep 2016 and 30 June 2016 (Google Analytics).

Dealers benefit from their association with Sellingantiques as it is a **trusted** source to purchase antiques.

You will increase your **antiques footfall** dramatically and instantly.

Dealers **do not sign a contract** with Sellingantiques.co.uk. They simply pay for membership on a monthly basis and can cancel at any time.

Close to **400 UK Antiques Dealers** are already paying members.

Sellingantiques is at the **top of Google** results pages for the most popular antique keywords (and long tail keywords too).

Each dealer is given access to our **easy-to-use** control panel to upload stock.

To maintain standards, only items **over £100** are shown on Sellingantiques.co.uk main pages. Antiques under £100 are placed in a unique section of the site.

Antique dealers have **direct contact** with the customer.
