Description

This pretty Antique Paste Brooch features many Paste stones and a central Emerald Cut Green Paste stone set in Sterling Silver. Paste is a special type of hand cut glass which has been used since the 18th century to replicate Gemstones. This quality brooch would make the perfect gift or a great addition to any collection. STONES Paste METAL Sterling Silver (925) MEASUREMENTS Measures 2.6 x 2.2cm Green stone measures 1.2cm x 0.8cm WEIGHT 8.2 grams HALLMARKS 925 CONDITION This antique Green paste brooch does have signs of age related wear yet remains excellent for everyday wear. The Paste stones, although some have darkened with age, retain a beautiful sparkle. The green stone to the centre does have some surface wear but remains very secure within its setting. This silver carries a rich antique patina which adds to the antique charm of the piece. Overall this piece shows it has had a life before but would still make a fabulous addition to any ensemble.
