Description

Large newly upholstered centre ottoman footstool in a pale olive green crushed velvet and a single pipe to the side border, on rather lovely early 19th century turned mahogany legs in the Regency style. Very solid frame so this can be used for additional seating for three to four adults if required. This ottoman footstool will look fantastic in a large living room to replace a typical coffee table, just adding a butlers tray to this ottoman to hold your glass of wine etc, leaving plenty of room to put your feet up too! Measuring: 16 1/2 inches or 42 cm high 36 1/4 inches or 92 cm wide 48 inches or 122 cm long
