## 18th century Sepia Print in gilded round frame

Price

**Sold****Item Reference: SA1000321****Date of manufacture: 19th Century**

## Description

An 18th century, possibly earlier, Sepia Print in gilded round frame behind glass and on long period chain. The back is of wood, taped and fastened with original forged nails. The print is believed to depict a classical scene of Rinaldo and Armida after a painting in the style of Angelica Kauffmann. Diameter of frame ca 36 cm and generally in good condition. Free special delivery to the UK and Ireland is included in the price. Please add £ 20 for deliveries to the EU and the USA and Canada. For all other destinations please ask for a quote.

Internal Ref: SKU 795
