Depth = 9 cm (3.5")

Description

I have been lucky enough to find a great collection of these stunning 18th century blue and white Spanish bowls. Decorated with floral and abstract decoration making them hugely decorative. All have minor issues with their condition but to me things like the stapled repairs only add to the pieces. All solid condition. This example is 28cm Diameter 9cm Height Price includes UK delivery

Internal Ref: TI3683-4
