Description

This is a beautiful 1930's Art Deco mahogany and marble side board. The quality is very high and the overall condition is excellent. The marble is a lovely pale grey/brown colour which sits well in a huge number of interiors. The size of the piece makes it practical as well as decorative with its shelved interior. Art Deco isn't usually my thing but this piece is so well designed with elegant minimal detail I fell in love when I saw it. The sweeping feet at the front as well as such a great design.
