Description

A superb pair of antique Georgian period console side tables in mahogany. They were made in England, and date from around the 1800-1820 period. They are of great quality, with large demi lune shaped tops and beautifully shaped serpentine friezes. They are well built and sturdy, each sitting on three straight legs. We have had these recently re-polished, the condition is excellent for their age. They retain a gorgeous colour tone and patina, with some small marks and indentation here and there beneath the polish, commensurate for age. Width – 44 inches , 112 cm Depth – 21 inches , 53 cm Height – 29 inches , 73 cm
