Description

I really like this classic Georgian piece. It is a good quality table with wonderful veneers on the top . It is also crossbanded and has boxwood stringing. The full length, oak lined drawer has fiddle-back veneers. It stands on elegant square tapering legs. Original brass handles. A lovely piece in excellent condition that can be used as a side table in a living room or as a dressing table or writing table as there is 61cm height of knee room
