Description

A smart and extremely well made antique coffee table with a raised pie crust edge. This was made in England, it dates from around 1900-1910. It is of superb quality and is a very useful size. The cabriole legs are held together by a beautifully shaped stretchered base, and unusually this has a flip top mechanism. We have recently had this re-polished, the condition is excellent for its age. Width – 36 inches , 92 cm Depth – 20 inches , 51 cm Height – 20 inches, 51 cm
