Description

For your consideration is this original 1930s Art Deco Walnut dressing table. Originating from England and oozing everything about this wonderful bygone era we've all come to love and admire, this dressing table is one not to be missed! Veneered in a heavily figured conker coloured walnut, it comprises one huge full circular mirror with a thick plate glass shelf underneath, ideal for your fabulous display of perfume bottles, maybe the odd picture frame and vanity items. To the left side are two generous sized drawers for all those accessories you don't want on view. On the right side is a single door with a fluted effect, which opens and closes with ease. Overall condition is very good, the dresser itself has been fully restored and the mirror is also good with no faults to note, free from foxing, silver loss, clouding or chips.
