Description

A beautiful set of antique Edwardian dining chairs in satin wood. They were made in England, and date from around the 1900-1910 period. The quality is excellent, they have a fine and elegant design, yet are sturdy and sound. The pierced back have lovely inlaid designs and crisp carving. They sit on tapered legs, and look amazing from all angles. We have recently had these re-polished and re-upholstered in a cream cotton fabric, the condition is excellent for their age.
