Description

This is a large antique baker's tray. An English, oak butler's serving tray, dating to the Georgian period, circa 1750. Superb proportion and figuring to this delightful Georgian tray. Displays a desirable aged patina and in good order. Oak stocks present fine grain interest and an abundance of medullary rays. Quartet of charming butler's grasps across each fascia – for carrying both ways. Dressed to the base with small protective natural leather corner pads.
