## Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the Omega Seamaster Special with calibre 562 fully automatic 24 jewel movement widely considered to be one of the most reliable Omega movements ever made. The model reference number is the rare 166.010. The silver cross hair dial with faceted lozenge markers is quite superb and totally original and untouched, it has not been restored. It has the Omega symbol on the winding crown. It also comes with a leather strap of your choice. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 35mm in diameter not including the crown. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous.
