Price

**Sold**

**Item Reference: SA1002292**

**Date of manufacture: 1890**

Dimensions

Height = 18 cm (7.1")

Width = 8 cm (3.1")

Depth = 8 cm (3.1")

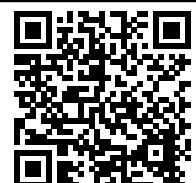

## Description

An exceptional pair of cloisonne vases , each with six panels depicting birds and flowers . The dense decoration of birds and flowers is all in fine silver wire , the mounts are also silver . These vases are probably Hayashi , but unsigned , produced at the height of the best of the late Meiji Period , a stunning pair of vases . A couple of very short minor hairlines , too small to capture with an image , otherwise beautiful condition .
