Depth = 5 cm (2.0")

Description

It is exceedingly unusual to find an old mine cut diamond as high quality as this one. The breathtaking stone – graded by IGI as F colour and VS1 clarity – is glowingly white and internally very clean. The stone is secured in a four claw collet with an unfussy gallery, allowing maximum light to pass through the stone. Polished spear-shaped shoulders lead to a slim D-shaped platinum shank. Rare and indisputably beautiful. Accompanied by a diamond report from IGI (#575300918). Cut – Old mine cut. Colour – F. Clarity – VS1. Carat – 0.88. Circa – 1920. Size – L (UK) or 5 1/2 (US). Complimentary sizing is available, can be sized up or down. Measurements – The diamond is 6.16 x 5.40mm and sits 5.8mm from the finger. Metal – Platinum. Tested. Video – To view a video of this ring recorded in daylight, please copy / paste the following link into your browser: <https://vimeo.com/850594509>

Internal Ref: 511711S085
