Description

Antique Georgian Mahogany Bedside Cupboard Here we have this fine example of a rare Georgian (circa 1820) Mahogany bedside cupboard. This cupboard features a waved removable tray top which exposes the wash stand bowl holders. Opening the door reveals a large cupboard finishing to one lower finely dovetailed drawer. The cupboard door and drawer both feature flame grain Mahogany, Ebony inlaid edges and their brass polished knobs. This cupboard is in an outstanding condition featuring its original beautiful lightly faded French polished finish with a lovely rich Mahogany colour. We have just carefully cleaned and waxed this cupboard, maintaining its original patina whilst giving a lovely natural sheen. Please note; This item is in fantastic condition for its age as shown by the photographs. Being an antique item of this age there are obviously marks, scratches and dents. However, we feel that these points are which adds to its charm and character to a piece.
