Description

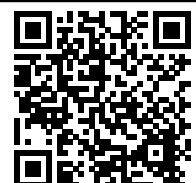

A superb antique William IV open bookcase in Rosewood. This was made in England, it dates from around the 1830-40 period. It is of amazing quality & a good size, the Rosewood has a gorgeous colour and stunning grain patterns. This sits on a plinth base and has a beautiful original pierced brass gallery around the cross banded top. We have had this recently re-polished, the condition is excellent for its age. There are various very small marks and indentations here and there beneath the polish, commensurate for age and adding to the lovely patina. Width – 49 inches , 124 cm Depth – 12 inches , 31 cm Height – 49 inches , 124 cm
