Description

Size: 3ft 3in x 2ft 5in (98 x 74cm) face size. Antique Jaf Kurd bag face of diamond lattice design with good clear colours and plain weave back. Circa 1890. The bag face is well drawn with a hooked medallion lattice, surrounded by a floral rosette border. The bag face retains the closing lappets at the top and a decorative embroidered panel where the back joins the face. The original plain weave back is still attached and the bag has been opened down the sides for display. The bag face is in excellent condition with slight even wear and good pile, the wool is very soft and the bag face has a floppy handle.
