Depth = 18 cm (7.1")

Description

An exceptional quality pair of Grand Tour bronze urns . The casting is the finest quality , the patination is a beautiful and deep dark rich colour, they also have the attraction of being supported on rouge marble bases . They have their original gilt bronze liners which are removable . The condition is also exceptional and totally original , no damage , no restoration . French or possibly Italian , circa 1840 - 1850 .
