Description

A fine example of a traditional Edwardian mirror back sideboard. In very original condition this sideboard has very little wrong with it. Only damage that's visible is both corners on bottom beading above legs have wear and tear. Drawers are oak lined and all 3 locks are working and comes with 1 key. I have tried to show as much detail in photos but please ask if any further photos are required. Item is collection only from LL29 or please contact seller for possible delivery quote.
