Description

An elegant mahogany side table dating from the early 19th Century. It has nice small proportions with a beautiful rich patina. It stands on tapering square legs and has two drawers with brass ring pull handles. Perfect as a side table or a small writing desk. It is in very good condition for its age. The drawers open well and are generally clean and tidy inside. There are signs of age and use, some old marks on the top surface and some light knocks around the legs but nothing detrimental. It has been gently cleaned and polished and is ready for use. The best description comes from the photographs so please look at them all carefully and if you have any questions just ask.
