Description

A superb Norwegian solid silver serving fork and spoon serving set. They are hallmarked with the Norwegian 830 standard mark along with the makers mark for Brodrene Lohne, I would date it to c1940-50's. They have been beautifully designed with what is termed Dobbel Rokokko with the fork being No. 476 and the spoon No. 499. They are in superb condition being free from dings splits and repairs. The fork measures 7.75 inches (19.6cms) long by 0.75 inch (2.1cms) wide and the spoon 7.5 inches (19cms) long by 2.25 inches (5.5cms) wide and have a combined weight of 86 grams. A very nice quality set.
