Description

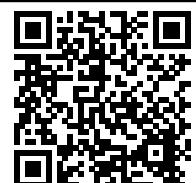

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Rolex. It has a solid 9ct yellow gold case and is fitted to a beautiful design solid 9ct gold bracelet which just glides around the wrist. A new glass has been fitted which gives it that extra sparkle. This is the very desirable Tudor Royal model. It is quite stunning, the case and bracelet professionally cleaned and polished so it is absolutely pristine. The 17 jewel movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. As you would expect the watch is fully marked on the dial, movement and case, the bracelet and case are fully hallmarked. Rolex are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. The watch case measures 17mm in diameter not including the crown. It fits a maximum wrist size of 6.5 inches or 16.5cms but this can easily be reduced by any competent jeweller. Overall this watch is in beautiful condition and looks as if it was hardly ever worn, it would certainly make a perfect gift. T...
