Description

An Art Deco period Philips 12 inch Terrestrial Globe dating from the 1930s. The globe is mounted on an attractive wooden base of typical Art Deco design. The globe itself has some marks and wear commensurate with age, some small areas of discolouration and small white paint spots but generally remains in a very good attractive condition overall. A good looking piece. Dimensions:- Height: 50cm Circumference: 12" Diameter of base: 21.5cm DELIVERY UK Mainland: FREE International Delivery: Please contact us for a shipping quote.
