Description

Very decorative and super quality pair of large nickel plated lamps, circa 1930 and in great condition. The nickel plating has been done very recently, so the finish is excellent and makes them a real statement pair of lamps. Newly re wired and pat tested too. Shown with 16 inch diameter shades just as examples, to give the lamps some perspective, so the shades are not included. However, the price shown does include free mainland UK delivery. Measuring: 31 inches or 79 cm to the top of the example shades 21 1/4 inches or 54 cm to the bulb holder 7 inches or 18 cm base diameter
