Description

This is an absolutely gorgeous early 20th century solid oak French kitchen dresser. Great design with the moustache details around the open shelves and cupboard base. All doors of cupboards have working locks and the shelves are full adjustable. This came from Nimes in Provence France. The piece is very high quality and a great addition to any kitchen, living or dining room. I can see it full of plates and bowls or family trinkets and photos. It splits into two halves both solid oak and an easy 4 person lift. No faults and even better in person. Height 244cm Width 313cm Depth 50cm Price includes UK mainland delivery
