Description

A beautiful antique burr walnut chest on chest of drawers. This was made in England, it dates from around the 1930's. It is of super quality and is a great size. Tall and slim, it doesn't take up much floor space yet has plenty of storage space inside the six generous drawers. This has a bow fronted design, sits on bracket feet and has lovely original brass handles. The colour and grain patterns are stunning, we have just had this re-polished; the condition is excellent for its age. Width – 23 inches , 58 cm Depth – 17 inches , 43 cm Height – 52 inches , 131 cm
