Description

Arts & Crafts Open Bookcase - Oak - c1900 A nice Open Oak Bookcase with three main bookshelves and a top shelf which is useful for display items. All the shelves benefit from a rear upstand to ensure that the books do not push through. The piece is solidly constructed and good and sturdy. This item is in good order, however for the sake of accuracy we like to make note that there are a couple of minor dings to the low front which can be seen in the photos below. Overall a pleasing piece of functional furniture that looks and performs handsomely. This item comes with our 100% satisfaction guarantee.
