Dimensions

Height = 30 cm (11.8")

Width = 25 cm (9.8")

Depth = 5 cm (2.0")

Description

A rare, important, and utterly gorgeous Victorian sapphire ring. The trio of sapphires – all certified as natural, unheated and originating from Ceylon (Sri Lanka) – display a deep but bright blue. The gems are set in a striking setting, with trefoil claws and ornate carved detailing in the shoulders. A true treasure. Accompanied by a report from Gemmological Certification Services (GCS) stating the sapphires show no indication of heating, and are Sri Lankan (Ceylon) in origin. Cut – Oval cuts. Clarity – Some inclusions are visible in the centre stone (although not obviously so when the ring is on the finger). The outer sapphires are eye-clean. Carat – The very conservative estimated weights of the sapphires is 1.10 carat, 2.00 carat, and 1.60 carat; 4.70ct total. Circa – 1900. Size – K 1/2 (UK) or 5 3/8 (US). Complimentary sizing is available, can go up or down. Measurements – From the edge of one outer sapphire to the other is 17.2mm. The ring is 10.4mm at the widest point and sits 4.4mm from the finger. Metal – 18k gold. Stamped and tested. Video – To view a video of this ring recorded in daylight, please copy / paste the following link into your browser: <https://www.youtube.com/watch?v=6118115108>
