Description

A super quality rare French solid silver gilt holy water bottle. It is hallmarked with the French crab mark and dates to c1900. I think its the kind of piece that would have been bought and filled with water at say Lourdes. It has been beautifully made and is in superb condition free from splits repairs and dings. It measures approx. 2.5 inches (6.5cm) tall by 1.5 inches (3.8cm) wide and weighs 12 grams. A superb piece.
