Description

An absolutely stunning antique French serpentine console side table. This was made in France, it dates from around the 1930's. It is of exceptional quality and is a very useful size. This has a serpentine shaped front edge, with extremely high quality ormolu mounts all over. This is made from a mixture of walnut and mahogany, with satin wood inlays around the top border and the front edge. We have recently had this re-polished, the condition is excellent for its age.
