Description

A fantastic antique Swedish leather club armchair, recently imported from Sweden and dating from around 1900-1920. It is of superb quality, it is well sprung and very comfortable. The green leather is original & has a gorgeous colour tone, this has a buttoned back and sits on beautifully splayed solid birch legs. We have had the leather revived and hand coloured by our leather restorer, there was also a small perforation on the seat that has been patched from inside and repaired. This is in lovely overall condition for its age with a great patina. Width – 31 inches , 78 cm Depth – 31 inches , 78 cm Height – 28 inches , 71 cm Seat height – 16 inches , 41 cm
