Depth = 48 cm (18.9")

Description

A well-presented early 20th century antique carved oak sideboard. The antique sideboard has an arrangement of two fitted drawers, each with aesthetic style metal drop handles, over a pair of decoratively carved and panelled cupboard doors. The cupboard doors open to reveal two spacious interiors, with the left cupboard having a single shelf to the middle. The antique sideboard is raised on cup and cover supports to the front, united by straight stretchers. Decorative carved detailing throughout. Complete with working lock and key. Item Ref; M-4782 . DIMENSIONS: Height -93.5 cm / Width - 125cm / Depth - 48cm . CONDITION REPORT: In excellent antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the top, sides, front and interior (pictured), however very minimal. The top has two indents to the back, this is due to the original product being complete with a backboard. The antique carved oak sideboard remains structurally solid and sound, with the drawers running well. Complete with working lock and key. Overall, a fantastic antique sideboard. Our experienced carpenter meticulously inspects, repairs, an...
