Description

If you would like this piece upholstered please click yes in the upholstery drop down menu. This would require 4 metres of material. You can supply your own or please get in touch and we will send you the list of fabric companies we work with. All my antique armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. This is a great piece of furniture, ideal for end of a bed or in a hallway. It is a Victorian storage ottoman of a large size. Ideal once upholstered to store shoes in and then be used as a seat while you put them on. The top can be made domed or flat depending on you preference and the rope holding the lid open can also be changed if you prefer. There is a solid mahogany border around the base so when this is upholstered it will be a very classy well made piece of furniture. Height 50cm Width 146cm Depth 72cm
