Description

A stylish and extremely well made antique brass neoclassical floor lamp. This was made in England, it dates from around the 1920-30's. The quality is superb, this has a bold fluted Corinthian style column that sits on a platform base, with hairy paw feet. The brass has acquired a lovely patina and colour tone over the years. It came with this gorgeous cream silk shade which is also of very high quality. The condition is excellent for its age, with just some minor surface wear here and there. The shade has one small mark on one side, seen in the images. We have had this re-wired, it is in good working order. Width base – 12 inches , 31 cm Width shade – 23 inches , 58 cm Height to socket – 55 inches , 140 cm Height to shade – 64 inches , 163 cm
