Description

A stunning antique bow front chest of drawers in burr walnut. This was made in England, it dates from around the 1900-1920 period. It is of superb quality and is a very useful size. This has a gorgeous colour tone and amazing grain patterns throughout. This has a cross banded top, it sits on nicely shaped bracket feet, with canted and grooved corners on the front edges. The drawers have high quality brass handles and fine, hand cut dovetailed joints. There is plenty of storage space, this is a practical as well as a beautiful piece. We have recently had this re-polished, the condition is excellent for its age. Width – 19 inches , 49 cm Depth – 14 inches , 36 cm Height – 29 inches , 74 cm
