Description

A stylish and extremely well made pair of antique Swedish satin birch armchairs. They were recently imported from Sweden, they date from around the 1900-1920 period. They are of superb quality, well sprung and very comfortable. The satin birch frames have gorgeous lines and absolutely stunning grain patterns. We have had the frames stripped and re-polished to a very high standard, and they have been re-upholstered in a cream cotton fabric. The condition is excellent for their age.
