Description

A stunning pair of Swedish Art Deco armchairs with stylish and shapely elm frames. They were recently imported from Sweden, they date from the 1920-30's. They are of excellent quality and beautifully designed. The frames have scalloped backs, the elm arms have a shepherds crook shape and they sit on solid elm tapered legs. We have had the frames stripped and re-polished to very high standard, and they have been fully re-upholstered in cream cotton fabric. The condition is excellent for their age.
