Description

A large Victorian mahogany partners desk is indeed an impressive piece of furniture. This twelve drawers, two cupboard partners desk is designed to accommodate two people. Retailed by William Richardson of Leeds and Bradford, circa 1880. This well cared for Partners desk has been stationed in the same position for many years, as the cupboard side has been naturally sun bleached over time, Indicating to me this was the face side showing, as you approached the desk. Still obtaining its original handles and locks, I have repolished and waxed, including all the solid mahogany drawer linings. The black leather top has a blinded tooled waxed finish. H 73cms x W 163cms x D 106cms. Delivery can be arranged to mainland UK normally £70. Final rates vary by destination and complexity, costal and congestion charges, for a final delivery fee please contact Richie on 07912624065 International shipping can be arranged.
