Description

This colourful Set of 33 VICTORIAN GLASS MARBLES make up a Game of Solitaire on the later turned-wood board. The Marbles, most of which have lattice twist designs in the centre, have unground pontil marks. They measure, on average, approximately half an inch in diameter. They are in good condition with just a few minor nicks. The Board, a later addition, fits the marbles well. Diameter of Board: 6.75 inches (17 cm) Express delivery within the UK is included. We ship Worldwide and are happy to quote for Overseas Shipping on request.
