Late 19th Century Fortune Teller's Crystal Ball

Price

Sold

Item Reference: SA1006232

Date of manufacture: 1900

Description

A late 19th/early 20th century fortune teller's crystal ball in its original velvet lined box, c.1900. The ball has some light scuffs and scratches in places commensurate with age, but generally remains in a very good condition overall. The original box shows wear to the interior fabric and exterior covering. The upper section of the catch is absent. A great looking display piece. DIMENSIONS:- BALL Circumference: 15cm Weight: 140 grams BOX Height: 6.5cm Width: 8cm Depth: 8cm DELIVERY UK Mainland: FREE International Delivery: Please contact us for a shipping quote.

Internal Ref: 7443
