Description

Three hardwood Burmese/Indian Steamer Style folding chairs all with carvings of swirling foliage to the frames whilst the seat fronts have different dragon themes. The top rails are all different with a pair of Indian elephants to one, a pair of fanned peacocks to another whilst the last is of a pair of deities on winged lower bodies. The woven reed seats and backs are in very good condition for their age and are perfectly serviceable. Unusual to say the least with a huge amount of labour intensive detail throughout. All cleaned and waxed polished in our workshops and ready to admire and enjoy. Front of Seat Height - 34cm = 13 1/2 inches
