Item Reference: SA1006947

Date of manufacture: 19th Century

Dimensions

Height = 46 cm (18.1")

Width = 46 cm (18.1")

Depth = 3 cm (1.2")

Description

A 19th century cast iron coat of arms for Oldham Manchester, Apparently this was one of a pair that was once fixed to a local building in the area, that was demolished in the 20th century. The relief is finely cast and has been stripped down to bare metal, there is one old repair to the bottom left hand corner, but overall it is in good condition.
