Description

A stunning antique Victorian period dining table in walnut, this was made in England and dates from around 1860-1880. It is of amazing quality and is a very useful size to be used as a dining table or centre table in a large entry way. The oval top has incredible burr walnut grain patterns and a gorgeous colour tone. It sits on a beautifully carved solid walnut base, the top can tilt up to save space and can be removed completely for ease of transport. We have recently had this stripped and re-polished, the condition is excellent for its age. Length – 55 inches , 140 cm Depth – 41 inches , 105 cm Height – 29 inches , 74 cm
