Description

A very fine and beautifully made antique inlaid mahogany console table. This was made in England, it dates from around the 1900-1910 period. The quality is outstanding, this has a stunning design. The top is serpentine shaped, cross banded and with a reeded edge. This sits on finely fluted sabre shaped legs, with three generous drawers at the top. There is gorgeous satin wood inlay on the outer edges and borders of the drawer fronts. We have had this recently re-polished, the condition is excellent for its age.
