Description

An absolutely stunning & very stylish pair of Art Deco armchairs with elm arms. They were made in Sweden, we have recently imported them and they date from the 1920-30's. They are of generous proportions and are of outstanding quality. The backs are fluted and the elm arms are wide and impressive, terminating in lovely outward sweeping feet. We have had the frames stripped and re-polished to a very high standard, they have been fully re-upholstered in a cream cotton fabric. The condition is excellent throughout.
