Description

This is a very attractive large 19th century Florentine mirror. The gilt decoration is nice and bright making it a very attractive decorative piece. It all looks to be original with a few areas of sympathetic restoration which are barely noticeable. Gorgeous quality to the carved timber frame. The mirror plate is thick and heavy with a light amount of foxing. Overall a really impressive mirror which will fit well in a large number of interiors. Height 138cm Width 92cm Depth
