Description

This is a very high quality 18th century oak lowboy. It is a wonderful design that sets apart from the rest. Thick shield topped cabriole front legs and shaped back legs with the most incredible figured top which simply isn't done justice in the photos. The three drawer makes it practical and the overall condition is very good. The cross banded details as well are very smart and show its quality. Height 70cm Width 80cm Depth 49cm
