Description

This is a wonderful quality Georgian oak lowboy with elegant Fretwork boarder. The condition overall is superb with a couple of old repairs to the fretwork but no losses. The oak is a wonderful colour and has a fine marquetry boarder around each drawer. It also stands of thick cabriole legs which suit the piece perfectly and give this a real presence. I love finding unusual examples of pieces and this is certainly that. Height 81cm Width 110cm Depth 44cm
